 "We that are in this tabernacle do groan, being burdened: not for that we would be unclothed, but clothed upon, that mortality might be swallowed up of life." This verse from II Corinthians is the Golden Text in the Lesson-Sermon on "Mortals and Immortals" on Sunday in all Churches of Christ, Scientist.

One of the Bible selections in the Lesson-Sermon includes these words from Proverbs: "For sale the foolish, and live; and go in the way of understanding." These passages from the book of Ezekiel are also included: "Have I pleasure at all that the wicked should die? saith the Lord GOD: and not that he should return from his ways, and live? ... Cast away from you all your transgressions, whereby ye have transgressed; and make you a new heart and a new spirit: ... For I have no pleasure in the death of him that dieth, saith the Lord GOD: wherefore turn yourselves, and live ye."
 The Lesson-Sermon presents also these statements from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "When understanding changes the standpoint of life and intelligence from a material to a spiritual basis, we shall gain the reality of Life, the control of Soul over sense, and we shall perceive Christinity, or Truth, in its divine Principle." "The great spiritual fact must be brought out that man is, not shall be, perfect and immortal."

English Quadruplets, 3, Enjoy Normal Existence

LONDON (U.P.) — The Miles quadruplets are sorry for the Dionne quintuplets. They enjoy the freedom denied to the Canadian quints and live like normal children in their cozy home in St. Neots with their parents and elder brother. Ernest, Michael, Paul and Ann, now sturdy, unaffected 3-year-olds, can be seen almost any day trotting down the street to meet their brother Gordon on his way from school.

SEEKS LARGER QUARTERS FOR LOMITA P. O.

Larger quarters for the Lomita postoffice are being sought for a five-year period beginning next Dec. 1. W. H. Switzer, postoffice inspector, has invited bids for a building with at least 1,800 square feet of space, equipment, heating and lighting. The lease on the present smaller postal quarters at 2213 Lomita boulevard expires next Nov. 30, rounding out a 10-year lease period, according to Postmaster Birda Paddock.

The decision to call for new postoffice facilities was reached following a recent inspection by Switzer and Postmaster Paddock's efforts to obtain larger quarters to handle the increasing amount of business transacted by the Lomita post head quarters.

Specifications and bid requirements may be obtained at 701 Federal building, Los Angeles, and bids must be submitted by June 10.

Postmaster Paddock this week announced that Leon J. Boudreaux of 2359 West 248th street has been appointed substitute clerk at Lomita. He succeeded Leroy Backlund, who was recently promoted to a permanent rating.

Boudreaux, a member of the Lomita Fleet Reserve association and formerly employed in another governmental service, was at the head of a list of eligible applicants from a previous civil service examination, Miss Paddock said.

Fly-Casting Burglar Gets Loot in Hotels

AMARILLO, Tex. (U.P.) — A fly-casting hotel burglar got \$60 with his sport in two hotels here. The thief's method was to find a room with an open transom, in which the occupant was asleep. He climbed deftly onto the doorknob and stuck his head, shoulders and fly-rod through the transom. Then the fly-rod went to work.

Prospector Behind News, Believed George V Alive

WILLIAMS LAKE, B. C. (U.P.) —The old adage that "bad news travels fast" was discounted here when a Williams Lake prospector got into an argument about the coming visit of the king and queen to Canada. He stuck to his guns and stoutly declared that there was only one daughter in the royal family, and even laid a bet on it. Apparently, he hadn't heard that King George V was dead, so he was minus the bet when he went back to his work.
